

## Mussun Sales New Product Announcement

### Big Ass Fans now available through Mussun Sales

We are pleased to announce Mussun Sales as Big Ass Fans' exclusive representative for their Northern Ohio Plan and Spec market. With decades of experience crafting total HVAC solutions and sustainable, LEED-certified designs, Mussun Sales is an ideal distribution partner for their quality airflow products.

Through Mussun Sales, you will have access to knowledgeable local reps who are equipped to help you incorporate Big Ass Fans into your designs and projects to improve occupant comfort and indoor air quality. Mussun Sales has worked closely with their applications engineers to master the science of HVLS fans; now we are eager to share our expertise with you!

Mussun Sales' HVAC experts are ready to serve our Ohio Customers

“The Mussun Sales team brings a wealth of knowledge in designing effective systems as well as a long legacy of expert service. At Big Ass Fans, we pride ourselves on developing custom solutions that deliver wide-ranging benefits to our customers, and partnering with Mussun Sales helps us achieve our goal of providing comfort for every facility.” - Claire Sullivan, General Manager - New Construction, Big Ass Fans
